ⁱ The checklists issued by the Capital Markets Authority Kenya (CMA) are intended to provide clarity and assistance in navigating regulatory requirements. However, it is important to note that these checklists are not intended to serve as a substitute for reading and comprehending the regulations themselves. Individuals and entities subject to regulatory oversight should familiarize themselves with the applicable laws, rules, and regulations, and seek appropriate legal or professional advice as needed. The checklists provided by the Capital Markets Authority are meant to supplement, not replace, a thorough understanding of regulatory obligations.
