Bringing buyers and sellers together to conduct business

The 1-to-1 meeting service enabled us to have very frank and open discussions with companies of interest at the event. The conference provided a unique platform for continued interaction that has been taken to the next level. We appreciated our dedicated GFC Meetings Manager's strong organizational skills and pre-event/onsite assistance.

Mohammad Somo, Head of Treasury & Revenue, **Kenya Power Lighting Company**

Great focus group conference. Bonds, Loans & Sukuk East Africa makes it easy for investors and issuers to interact and have productive discussions. I really enjoyed this event and it ranks amongst the best I have attended.

Fezidinga Mdaba, Structured Debt Financier, **Sanlam Capital Markets**
